RANDOM ACTS OF KINDNESS WEEK

February 10-12 Friendship Grams will be on sale before school for **\$1.00** each. We will deliver on Feb. 14. The money collected will be used to plant a new tree at Legend Springs. We will have a tree planting ceremony in the spring.

Friday, February 14 Flagpole, Ms. White is teaching the entire school a Kindness Pledge song, during music class over the next week or two. The entire school will sing this at flagpole and will be accompanied by a piano or ukuleles. We will also wear Red, White, or Pink on this day for our spirit day to celebrate Valentine's/Friendship Day.

See below for Random Acts of Kindness Week activities.

Kindness Pledge

(Sung to the tune of "Twinkle, Twinkle, Little Star")

I pledge to myself on this day,
To try to be kind in every way.
To every person, big and small,
I will help them if they fall.
When I love myself and others too,
That is the best that I can do.

Question of the Week?

What does it mean to be unique?

Last Week's Question?

Students learned that some animals:

- Have lures on their heads
- Blend in with their surroundings
- Change colors

Vocabulary Skill: Review

Conventions: Review

Fluency: Review

Math...

Begin unit 8: Investigating Patterns in Number and Operations.

We will spend our week working on finding patterns in math. We will be using a little of the Georgia Math and some Investigations.

Make sure your child is accessing **IXL** for at least **10 min/night**. I will be taking grades from IXL. This week we will work on skills I have targeted as needed review or practice. They are: A.5, A.6 and A.8. After these skills are practiced, students are able to access any other skills they would like.

Unit 7 tests will be coming home Tuesday. Students are able to correct and return, by Thursday for a possible 10% increase in their grade.

Monday is our field trip to the Science Center! Please remember to have your child wear comfortable shoes and **pack a lunch!**

Review week
